Community Eligibility Provision

Quest Preparatory Academy is participating in the Community Eligibility Provision (CEP) for the School Breakfast Program and National School Lunch Program for the **2023 - 2024** school year. If your children are enrolled and attend Quest Preparatory Academy, your children may participate in the breakfast and lunch programs and all meals will be available to them at no charge.

Studies have shown that children who are not hungry perform better in school. By providing breakfast and lunch for all children at no charge, we are hoping to create a better learning environment for our students.

The school breakfast and lunch that we serve follows U.S. Department of Agriculture guidelines for healthy school meals. The Universal Meals Program cannot succeed without your support; please encourage your children to participate in the school meal programs.

All meals will be served to all students at no charge regardless of the eligibility status.
