RANKING OF OPTIONS

***School full-time distance will be an option**

Ranking of Option by Mode

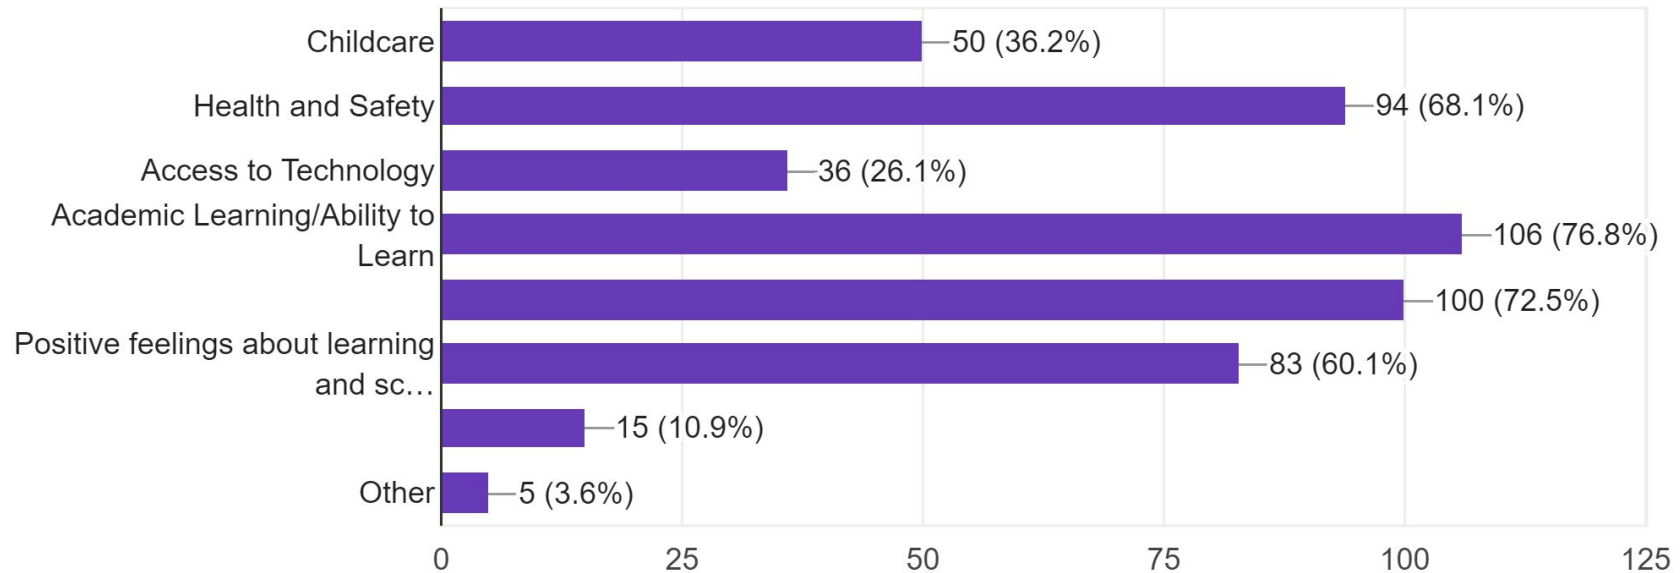

OPTIONS DATA ANALYSIS

- 
- Strong opinions regarding full return to school and full return to distance (often picked as 1 and 5 and vice versa)
 - Options not including “full time” followed the opposite curve with week/week peaking highest as 2nd choice, 2 day/3 day peaking highest as 3rd choice, and half day peaking highest as 4th choice.
 - Of those whose 1st choice is full distance, 85% of families worked outside the house 4-5 school days per week. 60% has students in MS. 20% were in 3rd-5th grade. 20% were in K-2nd grade.
 - Both Staff and Parents groups were 58% choosing return to full time in person as 1st choice
 - Of those who picked return to full time in person, their 2nd choice was:
 - 44% Week on/week distance
 - 28% 2 day in person/ 3 day distance
 - 20% Half-day sessions
 - 7% Full time distance

FACTORS IN RANKING TYPES OF REOPENING

What factors determined your decision for the type of reopening? Check all that apply.

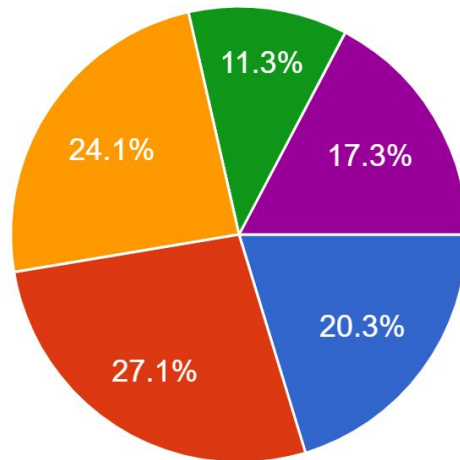

138 responses
